

CONTAINER CONCEPTS®

THINKING INSIDE THE BOX®

**2021
FEATURED
CONTAINER CONCEPTS**

Proud to be a green product. Made in USA.

Welcome to Container Concepts®

THIS CATALOG IS ONLY INTENDED TO SPUR THE IMAGINATION AND INSPIRATION OF OUR CUSTOMERS AND TO SEE WHAT SOME IDEAS ARE POSSIBLE WITH OUR CONTAINERS.

Container Concepts® focus is modifying shipping containers specifically for the commercial foodservice and retail industries. We also offer custom commercial projects. With 9 years of developing unique shipping container projects, we pride ourselves on 30 years of knowledge and experience in foodservice, hospitality, and retail industries. We like to say that we can do anything within reason and if we can't we'll tell you.

We create and sell **Modular Business Solutions**; producing complete food and beverage service, retail, event, and commercial businesses in a container. We can do variations of styles and sizes of the samples included in this catalog and will work with you on engineering. Our goal is provide a quality product that will work with your concept and give you a vehicle for long term success.

The process begins with completing the client information form followed by a preliminary consultation. The next step is the the design phase. When a design is agreed upon a formal quote will be provided and a time line for the project created. Times will vary based on size and scope of the project. Full MEP stamped drawings can be provided if needed. Once a deposit has been made there will be communication and progress photos provided all the way up to completion. Contact us to begin the process today.

CONTAINER CONCEPTS®
THINKING INSIDE THE BOX®

We provide two basic options for our foodservice and bar concepts. For a full list of features please contact us.

For any project we will require a complete equipment list with information sheets that include dimensions and loads of the intended equipment. We will also need a general layout of the equipment for the container.

A. Cooking Equipment Ready

- One Trip shipping container
- Health code compliant surfaces on walls, floors and ceiling
- Electrical package and/or gas connection
- Plumbing stub out and connection
- Hood and fire suppression system
- Health code compliant 3 comp sink and separate hand sink
- Service door and concession window (tbd)

B. Full Turn Key Equipment Installed (Customizable)

- One Trip shipping container
- Health code compliant surfaces on walls, floors and ceiling
- Electrical package and/or gas connection
- Plumbing stub out and connections
- Hood and fire suppression system
- Health code compliant 3 comp sink and separate hand sink
- Service door and concession window (tbd)
- Full kitchen equipment package (basic menu) customer equipment list must be provided.
